

LORD KRISHNA

Lord Krishna is one of the greatest deity in Hinduism.

The Hindu scripture 'Bhagwadgeeta' includes all the teachings of lord Krishna. It is said to be the manual of life. It guides one to live life in a beautiful way.

He's one side shows a leader and teacher version of him where he teaches us the way of living a quality life.

But the other soft side of him is so sweet that he is also called as 'cheetchor' which means the one who steals a heart. In this

avatar he is portrayed as a playful and optimistic child who gives everyone the hope and happiness in their hardest of times.

He is the ultimate deity who guides us at every stage of life and teaches us the concept of quality life...
